Letter from Ed Schreiner President, Fountain Lakes Community Association

We're now at the beginning of "Season" so I thought it might be helpful to reiterate some of the issues that we get involved in and then talk about what we can/will do about them.

We continue to get calls frequently about yard waste at the front of properties early in the week. Just so you know, we have negotiated with Lee County to allow yard waste to be put out at the street no earlier than Friday noon for pickup on Monday. When it is put out at the street, it must not be put on top of storm drains for obvious reasons, and also cannot protrude into the street. Lee County does drive-throughs and will ticket households that have waste out at the street prior to Friday noon. Please advise your yard maintenance contractors of the rules so you don't have to deal with the negative consequences. No one wants to look at your yard waste all week long when we work so hard to keep our community neat and clean. In addition, yard waste must be bundled or it won't be picked up.

As you know, we continually wrestle with gate issues at both of our entrances. We continue to work with the Fire Department on a solution to the cross-over issue at the Williams Road gate and have several alternatives in mind that must be approved by Estero Fire Rescue. At the US41 entrance we are close to completion of the BOG- approved plan to have the gates closed 24 hours a day, but open on

approach from 6 AM to 8 PM. Outside of those hours the gates will be locked down and require a remote, a barcode or a digital code for the key pad. Stop by the office, if you have questions about any of the three options. We have had great success with the new bar code feature. So far nearly 200 residents have opted to have the barcode installed on their cars. If you have questions or interest in the new barcode feature, stop by the office and we'll be happy to discuss.

It is probably time to review again the agreement reached between the Presidents' Council and the Board of Governors several years ago that stated that the BOG would not interfere in the governance of the local Associations unless they were specifically asked to intervene by the local Association Board. The Presidents of your Associations were unanimous in their conviction that they wanted the chance to address issues in their communities first and then reserve the right to petition the BOG for help if necessary. The charter of the Master Association Board of Governors is to govern and maintain the headquarters area, both entrances and the roads inside the community. Any issues with yards, driveways, paint jobs etc. are to be dealt with by the local association first. This has worked well since its inception and the plan is to continue with that agreement.

Kinda Funny

Jokes you can tell in mixed company

I quit my job at the helium factory today because I refuse to be spoken to in that tone of voice.

Q: How does the moon cut his hair?
A: Eclipses it!

Q: Why do French people eat snails?
A: Because they don't like fast food.

Q: What Crime did the tree commit?
A: Treason.

Q: What do you call a young locomotive?
A: A Trainee

Q: What do you feed an invisible cat?
A: Evaporated Milk

Q: What does a philosophical dolphin think about?
A: What is my porpoise?

Q: What do you call a belt with a watch on it?
A: A waist of time.

I used to be addicted to soap, but now I'm clean.

Q: How do you keep a bull from charging?
A: By canceling its credit card.

A giraffe walks into a bar and goes to sleep on the floor. The bartender asks his customers, "what's that lyin' there?" The customers reply "that's not a lion, that's a giraffe."

Q: Why does America always come before a flash drive?
A: One is USA and the other is USB.

Q: What is orange and sounds like a parrot?
A: A carrot.

~1904 Estero Creek Schoolhouse~

Over the summer we finished the interior of the schoolhouse. We have just one last project to complete and that is the assistance ramp. We still need to raise about \$10,000 in order to complete this project.

Diane Wisen is heading up the committee for furnishing the schoolhouse. If you have any period pieces you are interested in donating, email Diane at dianesemw@gmail.com.

A Message From Joe & Joni Pavich

Hello Neighbors
 As the cool weather starts to take the humidity out of the air, we all look forward to a refreshing change of temperature here in Southwest Florida. Soon, our Snowbirds will be returning to and we look forward to greeting them! We Look forward to a GREAT season! Santa Claus will come to Fountain Lakes and you will get info regarding a contest for the BEST DECORATED HOME for the Holiday Season.

I'm sure that by now you have heard about the Polybutylene pipe issue in our Community. Polybutylene pipe is a type of common household water pipe used mainly in the 1980's. Insurance professionals cannot say whether the pipes are good, bad or anything other, but it should be noted that nearly all homeowner insurance companies in Florida will not provide coverage for a house plumbed with polybutylene piping. Many times homeowners don't know they have polybutylene pipes until they have had a 4 Point Inspection. This inspection is common when you purchase a home, sell a home or buy a new homeowners policy. The companies say that they experience many more claims as a result of broken or leaking pipes in homes with polybutylene. I'm currently looking for a company that will give the community a lower price if we give them a good percentage of the re-pipe jobs. Best Home Services is currently working on a special rate for our community. I will keep you posted thru the Presidents of your Association.

Don't press the panic button! There have been more homes in our Community that had leaks with copper tubing than the polybutylene. Centex and Ryan Homes used this product. Please call me if you have any questions regarding this issue. In the meantime ...enjoy the "WEATHER WE PAY FOR".
 Health and Happiness

Joe and Joni

Golf Schedule 2015 - 2016

It's that time again!

Time to start the GOLF SEASON for 2015-2016.

Ladies's golf Mondays @ 8:45AM
Men's golf Tuesdays @ 8:45AM
No need to sign up. Just meet at the table near the first hole.

We also have mixed teams that play later in the week.

LINKSTERS play every other Thursday and also have an optional lunch afterwards in the club house for which we charge \$3.00 per person. You are welcome to play golf with us whether or not you stay for lunch.

MATES & DATES play on the alternating Fridays. Both of these groups meet in the picnic area @8:45AM & play at 9AM

SATURDAY GOLF is played on the same week as

Linksters. Meeting is by the table near the first hole at 8:45AM to play @ 9AM.

All of these groups charge \$2 per person to cover prize money. Sign-up sheets are posted at the beginning of each week on the bulletin board near the billiards room. Please sign up early in the week as teams are made up the day before play. SIGN UP IS REQUIRED

COME JOIN US!!! EVERYONE IS WELCOME including newcomers and house guests. Level of skill is unimportant as we play best ball scramble for mixed team events.

GOLF SCHEDULE FOR 2015-2016 will be posted on the bulletin board. The golf season begins on Friday, November 6th with Mates and Dates. Any questions, please call Nancy Birch at 239-947-3843 (or 603-769-0849).

GOLF SCHEDULE 2015 - 2015

November
 6 Mates & Dates
 12 Linksters
