## Fountain Lakes Association Social Highlights

Ladies and Gentlemen:

My name is John Rellias. I'm the President of the Master Association Board and I would like to ask you: just what is going on in our country?

As Bob Dillion once sang, "the times they are a changing". But who is changing it?

As a group called the Rolling Stones sang, " I shouted out who killed the Kennedys, when after all it was you and me".

Please let me write down what someone else once said:

"How then, shall we perform it? At what point shall we expect the approach of danger? By what means shall we fortify against it?

Shall we expect some transatlantic military giant to step the Ocean, and crush us at a blow? Never! All the armies of Europe, Asia and Africa combined, with all the treasure of the earth (our own excepted) in their military chest, with a Buonaparte for a commander could not by force take a drink from the Ohio or make a track on the Blue Ridge, in a trial of a thousand years. At what point, then, is the approach of danger to be expected? I answer, if it ever reach us, it must spring up amongst us. It cannot come from abroad. If destruction be our lot, we must ourselves be its author and finisher. As a nation of freemen we must live through all time or die by suicide."

That, my friends, was Abraham Lincoln
