Dear Homeowner:

Welcome to your new home! We would like to take this opportunity to introduce Pegasus Property Management as the managing agent for your association and acquaint you with certain aspects of community living. Your Board of Directors has retained our company to manage the association's administrative needs and oversee the maintenance of the areas of which the association is in control. We help to facilitate the day-to-day affairs of the association by working at the direction of the Board and by communicating directly with the residents and vendors. Basically, all the items listed on the association's budget fall under our responsibility. We handle all the correspondence such as notices of the meetings and elections, recording the minutes of the meetings, etc.

We hope you will find the following information helpful.

Maintenance Fees –The association's expenses are prorated *quarterly*. It is important that your fees are paid on time in order to ensure the smooth operation of the association. *Quarterly statements are typically mailed to the residents 20 days before the due date, and to the new owner in the event of a resale.*

Owner Information – We ask that you complete the enclosed unit owner questionnaire form and return it to our office so that we will have all the necessary information for billing purposes and in case of an emergency involving your home. You can also update your information directly on your web portal. Log-in information will be mailed/mailed following this notice.

Documents – Your seller should have provided you with a current and complete set of the association's documents. Please be sure to read your documents so that you become familiar with your rights and responsibilities as a homeowner. If you have any questions about your rights or the association's responsibilities, please call our office.

Rules and Regulations – All owners are supposed to read and agree to comply with the governing documents for their neighborhood association and for the Master association before purchasing their units. These governing documents include Rules and Regulations applicable to each association. The rules and regulations are meant to protect all members of the association. Rules will be enforced by the Board of Directors for the betterment of the whole community and to maintain a pleasant place for everyone in the association to live.

Leasing your unit – All leases must be in writing and a copy of the lease must be forwarded to our office along with the Associations' Lease Application and applicable fees. All leases must abide by your documents.

Meetings of the Association – One Annual Members Meeting is held for the purpose of electing the Board of Directors; one annual Budget Meeting is held by the Board of Directors for the purpose of approving the budget for the new year; Board of Directors Meetings will be held either as the documents require and/or as the Board deems necessary. All association's meetings are properly noticed according to your documents.
